

2014

I hope that my first chapter of Echofresk will be enjoyedte for yes payed

Freducing this mange was very rough but I in

as it was one of the main reasons why I pursued a career. I've always manied is share tchefronk to the marid har during my searcher years I was ver careless and I was postty stact in a haste (log). In

then Dyna agol I was very proud of my accomplishing but I was sery ashmed of the quality I was able to positive I even remember selling a capy to one of entire back this and as his browned through the pa-

theps sambling about how swiftling set was. He stopped includes and talk no one day be might apost with my work if I myself would be the first one to sap come of I want that he might and

studied and practiced warlage things I lack with working to marge.

Perjamately, the lang years paid of

can checifully present my work

hope to continue with more chigorers in the future in hope that you pays would still be there to

The state of the s
